Congratulations to all students on their fantastic achievements at last Monday’s swimming carnival and well done on winning the overall carnival again this year. I would also like to congratulate our age champions on the day:

Juvenile Boy Champion: Nicholas Weier
Junior Girl Champion: Georgia Edwards
Senior Girl Champion: Claire Hyland

Thanks also to our parents for helping to organise transport for students. It really was a great day!

Due to the large number of cars outside the front of the school each afternoon, we have asked students to remain inside the school fence until an adult comes to collect them. This is to make sure everyone is safe at home time.

We will hold our Community BBQ at the school next Thursday afternoon from 6pm. The P&C will provide a BBQ dinner. We invite all families to come along. If possible, could families bring along a plate of nibbles (for students in Lower Division) and a salad to share (for students in Upper Division). If you have children in both classes, please just bring along a salad. There is no cost for the BBQ dinner. It would be great to have as many families as possible. We especially welcome our new families to join us.

Next Friday we will host a NECOM musical event at our school. This will commence at 2.30pm. We will not have a weekly assembly next week due to the workshop. Could all parents please return the green permission note and payment of $3.00 by this Friday? This is a great opportunity for our students to be a part of a wonderful performance.

Finally, I will join with Principals from across the New England Central Area at our Term 1 Principals’ meeting in Armidale tomorrow. Mrs Muir will take Upper Division and Mrs Piddington will take Lower Division. A teacher will be at school by 8.30am. Please remember to make sure a teacher’s car is parked out the front before leaving your children. Many thanks for your help with this.

Have a great week!

Music Classes for Kindi – Yr 2 Children

A fun music class designed for children at the pre-instrumental stage. Activities include:
singing, movement, music games, improvisation and performance on tuned and untuned percussion instruments. Towards the end of the course, children are introduced to various instruments by music specialists and will have the opportunity to try them out. The Year 1-2 Class is a natural progression from the Kindergarten class although new members are very welcome.

An ideal introduction to learning an instrument.

Classes Begin Term 1, 2012 ~ $120 per term
Kindergarten ~ Tues 4-5pm
Yr 1 & 2 ~ Thurs 4-5pm
Please call NECOM on 6772 7203 to enrol.

Thank you for returning your updated Emergency Contact Details. Please remember to bring any updated details into the office.

Any Wind Trio permission notes and money are being collected at the office.
