Yesterday Ryan Simpson, Mitchell Foster, Ryan Hendrickse, Seamus Hunt and Joe Alcorn attended the PSSA Zone Cross Country at UNE. I would like to thank the boys for their effort and congratulate them on their wonderful results.

I would like to thank you all for your understanding about my current family situation. I am still not sure when we will need to take Annie to Sydney Children’s Hospital, but it should be within the next week. Please remember that when I am absent, teachers will continue to work through my teaching program so that our children’s learning is not compromised. Again, I apologise for the inconvenience this is causing.

Tomorrow, all Principals in the New England Central area have been asked to attend our Term 2 meeting in Tamworth. Garry Porter will take Upper Division.

On Friday the P&C will hold a small working bee to prepare our gardens and plant winter seedlings with our students. If you are able to assist, we will commence at 1.30pm. Students do not need to wear school uniform on Friday. The P&C will also offer a lunch pack for $6.00. Please see the attached form.

Upper Division students are working on a project about a disease or condition that affects the human body. These projects are due on Monday 25th June (the last Monday of term) and each student needs to present their research to the class. If you require any assistance, or your child/children need to borrow a lap top, please let me know.

From next week, our school will host two UNE third year teaching students at our school. Ms Lucy Schneider will be with Upper Division and Ms Prudence Butt will be on Lower Division.

This week our 1st Year UNE students will complete their dispersed days. I would like to thank them for their assistance in the classroom and wish them the very best in their studies.

Finally, as we are planting our seedlings on Friday, there will be no weekly Assembly. Please remember our Term 2 Assembly will be held on the last day of this term (Friday 29th June) at 2.15pm.

Have a great week!

Start collecting stickers at the checkout of your local Woolworths supermarket until July 22nd to place on your child’s sticker card. There’ll be one sticker provided for every $10 spent.

Crunch and Sip Program

Our school participates in the Crunch and Sip Program.

Students are welcome to bring a container of fruit to eat during the morning session.

P&C Lunch Packs!

Donations of noodles or stir fry vegetables would be greatly appreciated by the P&C to make lunches for students on Friday.

Also, any help cooking and serving the lunch from 12.00 would also be very welcome!

Many thanks!

Tanya Alcorn
