From the Principal’s Desk…

Last Friday saw the culmination of our CWA study on Botswana. The presentation by the ladies of the Kelly’s Plains/Dangarsleigh CWA was informative and gave our students the chance to show off the wonderful artworks on display in the Creative Arts Room. The students then presented some very interesting facts about the animals that live in Botswana to the ladies of the CWA. The students were then more than happy to share a wonderful afternoon tea with the ladies from the CWA. The display will be in the Creative Arts Room for a number of weeks, so come in and have a look at the great work.

Tomorrow our school will be participating in Jump Rope for Heart Activities. Students can come dressed in Red and White. Year 6 students will also be doing face painting for a gold coin donation.

Students will also be having a Mufti day on Friday.

Vacancies exist for enrolments at Kelly’s Plains Public School. Should you know of anyone who is seeking to enrol at Kelly's Plains, please encourage them to contact us to make an appointment to come and look around the school and discuss enrolment options. Enrolments for Kindergarten 2015 are now being taken.

What an extremely busy term we have had. There has been so many highlights that to list them all would be impossible. We have participated in a huge range of activities from the educative, sporting, cultural and artistic. This wide range of activities shows the excellent results and the participation of all students in all areas of the curriculum at Kelly’s Plains Public School. It makes me extremely proud of each of our students and I look forward to working with the students and wider school community next term.

I would like to acknowledge the wonderful and caring staff and school community for making me feel so welcome. I would like to wish everyone a safe and restful holiday. Students will return on Tuesday 7 October 2014.
