Welcome back to school for 2014. A special welcome goes to our new students in Upper Division Alyssa and Cody Matheson. Also a big welcome to our Kindergarten students, Bronte Bettison, Sarah Gardiner, Prestyn Mavin, Oakley Weber, James Weier and Callie White.

A permission to publish work and photos form is attached to this newsletter and should be filled out and returned to school by next Monday February 10. These give permission for students to have their photos published online (e.g. on the school website), in newsletters and in newspapers and on television.

Lunch orders will commence this Friday and a new price list is included with today’s newsletter. Lunch orders are usually brought to school by Thursday each week and placed in the foam box in the Upper Division classroom. Mrs Morley then takes them to Lynches Road Store on Thursday afternoons. This week you are able to drop your orders to the store on Friday morning.

Tomorrow, our school Swimming Carnival will be held at the Monckton Aquatic Centre (Armidale town pool). This carnival is the Small Schools Carnival where students compete against Kentucky, Rocky River and Kingstown Public Schools. Students should arrive at the pool at around 9.30am and must wear their full SPORT UNIFORM (labelled) including their hat. Students need to bring their swimmers, sunscreen, towel, drink bottle and food for morning and afternoon tea. The pool canteen will be in operation if students wish to purchase their lunch. The carnival is usually finished between 1-2pm and students can be collected at this time. Please let a teacher know when you take your child home so their name can be marked off the class roll.

This year we have a student who has an anaphylactic reaction to kiwi fruit. We are more than happy for students to bring kiwi fruit to eat, however we are asking them to ensure they wash their hands and face thoroughly when finished. This will minimise the risk of the child coming into contact with the fruit or juices from it.

This week assembly will be held at 2.50pm in our Creative Arts room (formally the Lower Division demountable classroom).

Physie is a fusion of dance and sport that empowers girls for life! In every class girls will increase strength, fitness, flexibility, coordination and rhythm. The increased levels of confidence, self-esteem and social skills are always clearly evident to parents who involve their daughters in this life changing dance sport. Classes resume week commencing 3rd February. For more information or to book please contact Julie on 0409 260 878 or www.armidalephysie.com
