Congratulations to our wonderful Kelly’s Plains Public School students who participated in the Small Schools’ Athletics Carnival last Friday May 30. We travelled to Kentucky Public School by bus and this was enjoyed by all students.

Congratulations goes to Georgia White who was crowned Juvenile Girls Champion on the day.

Book Packs Reminder - Each student is supplied with a variety of text books to be used throughout the year. The total cost per student is $60. This fee is capped at $150 per family. We will also accept payments over a series of weeks / months. Thank you to the parents who have already paid for these book packs.

Milo Days – Year 6 students are keen to have milo days at school each week. Warm milo will be for sale each Tuesday and Thursday at a cost of 50c per cup.

Congratulations goes to Gwynne Beynon who was selected in the North West PSSA Rugby side at the trials held last Friday in Tamworth.

Yesterday we received confirmation that we will be enrolling two new students from California next term. Bethany and Ester will be joining our Upper Division class in Term 3. We are looking forward to hearing about their life in America, as we welcome them to our school.

Next week Lower Division will welcome a 3rd Yr UNE Prac student, Madeline Gartshore for a period of 3 weeks. She will then return in Term 3 for a period of 4 weeks.

Lunch orders will again be available from Lynches Road Store this Friday. Lunch orders should be placed in the foam box in the Upper Division classroom on Thursday afternoons. We need volunteers to collect the lunch orders from the store at 1pm each Friday and deliver them to school.

There will be no assembly this week. The next scheduled assembly is Friday June 13.

Direct Deposit into KPPS Bank Account

Some parents have asked about the possibility of depositing funds into the school bank account to pay for excursions, book packs etc. This can be done in person at the Westpac Bank or through your own internet banking facilities. You MUST put your family name and a brief description of the activity being paid for e.g. Smith - Book Pack.

Bank: Westpac Bank
Account Name: Kelly’s Plains Public School 2273
Administration Account
BSB: 032-001
Account No.: 142170

DATES FOR YOUR DIARY

**JUNE**

**MONDAY 9**

Armida North, it’s time to retune!

As the final step in Australia’s successful move to digital-only TV, SBS, Prime7, NBN (9) and Southern Cross Ten will change frequencies today in Armida North.

Viewers will now need to retune their digital TV, set-top box or digital TV recorder to find the channels that have moved. We would like your help in sharing information about the retune in your local community.

Retuning is done using a TV or set-top box remote. For most systems press the "menu" button on the remote and follow the prompts to retune. If people are having difficulty retuning, they should refer to their manufacturer’s handbook or manual.

Viewers may want to write down their favourite channel, program recording and parental lock settings before retuning, as retuning may delete these settings.

There may be some unavoidable temporary outages to all TV channels today and in the next day or two. These outages are necessary because of engineering work being undertaken at the TV transmission tower. Any outages are unlikely to last longer than a few hours. Viewers should wait until after 3:30pm on 3 June before attempting to retune their digital television equipment.

To check for expected outages associated with the retune, viewers should enter their address in the mySwitch tool on the Digital Ready website.

Channel changes should not impact on the quality of television transmission or reception across the area. If people continue to experience difficulties with reception on a particular channel, they should contact the relevant broadcaster for more information about reception issues.

Remember:
- If viewers are missing a free-to-air digital TV channel or channels, they will need to retune using their remote.

People living in apartments may be using a shared antenna system. If they are experiencing issues trying to retune their digital TV equipment after their retune date, they should first contact their property manager or body corporate.

What assistance is available?
If people have difficulty retuning equipment, they should check the manufacturer’s handbook, ask a friend or family member to help, visit the Digital Ready website or call the Digital Ready Information Line on 1800 20 10 13, 8am to 10pm (AEST), 7 days.
