One of our Transition students can’t wait until he can participate in the 2016 Talent Quest.
What is happening at our School?

A big thanks to our parents who will be assisting in transporting our Senior students to Lake Ainsworth in Week 6. We will coordinate times and pupils next week.

There will be a P&C Meeting next Monday, 2 November. We need to finalise fundraising and catering for the end of year functions. Your attendance will be appreciated.

A special thank you to our transition students. You have certainly adjusted to school life and we look forward to seeing you for a whole day on Thursday 10 December.

Next week, Year 5 will attend Science in the Bush. This is a wonderful opportunity for our students to showcase their talents in Science. I am sure you will have an excellent day.

If you are needing financial assistance for the cost of the Senior excursion to Lake Ainsworth, please come and see Mr Watson.

A special thank you to those who have paid the school contribution. This money will be used to purchase essential resources for all our students.

Please ensure you send a school hat along with your children. We will enforce the NO HAT NO PLAY policy.

12 days to go till Lake Ainsworth
