**From the Principal’s Desk…**

I am sure the weather will hold for tomorrow. The Small Schools’ Athletics Carnival will be held at the **Uralla Sporting Complex**. If you are unable to transport your child, make sure you contact the school so that arrangements can be made to get your child/children to and from the venue. Please come to school for a 9.30am departure if your child is travelling with another parent. If you are only transporting your child/children, you can leave from home and we will all meet at the Uralla Sporting Complex by 9.50am. Thank you to the parents who are able to drive other students to this sporting event. The school appreciates your time and effort and the parents with work commitments also appreciate your generosity.

This Friday will be the second of our P&C lunches for Term 2. All different Pastas are the items on the menu this Friday.

There will be an assembly this Friday 29 May starting at 2.40pm.

We are looking forward to the Armidale District Trials for rugby union on Friday 29 May and the softball on Friday 5 June.

Questacon will be coming to our school on Wednesday 10 June. There will be Science experiments with lots of things to see and our students will be able to ask questions.

A reminder to parents about school uniform. Students are to wear black leather school shoes and plain dark green jumper (with or without the school logo on them). White, green and black are our school colours.

We will be holding a P&C meeting on Monday 1 June starting at 7.00pm at the Bowling Club.

On Friday 12 June, the school will be hosting a free Netball NSW Introductory Clinic. Years 3-6 will take part from 10.00am till 11.30am and K-2 will take part between 12 noon and 1.15pm. This will be followed by our 3rd P&C lunch for Term 3.

**German Lessons**

Some parents have asked that vocabulary lists (and other information) be sent home to help reinforce the German that the students are learning. If interested families send me an email I will send this info directly to you. It would be especially helpful and fun if I could send you the file of the Bewegungslied (action song) we are learning to perform at assembly later in the term.

Good hygiene can help stop cold and flu viruses spreading around our school

- **Wash your hands:** we are teaching students how to hand wash after coughing and sneezing, and after touching dirty tissues. We make sure they understand the importance of washing their hands before handling food, after going to the toilet and after playing outside.
- **Cover coughs and sneezes:** we encourage students to cough into their arm/inner elbow. We are teaching them to put their used tissues in the bin and to wash their hands afterwards.
Guys and Dolls, a musical from the golden age of Broadway featuring the students of Duval High School dancing, singing, and acting as gangsters, night club dancers, and salvation army officers in a classic romantic comedy for the ages.
