From the Principal’s Desk…

What a fantastic day we had at the Small Schools’ athletics Carnival in Uralla. The day started with a great and memorable march. All the students should be very proud of the participation, encouragement and sportsmanship. Congratulations for all students who participated in the day and best of luck to those who will be representing the school at the Armidale District Trials.

Next week the students have a wonderful chance to engage in exploring Science. Questacon will be providing a wonderful opportunity to participate in a number of Science experiments and activities. The morning will be an extremely enjoyable and valuable learning event.

Good luck to Caleb who will be competing in the North West Cross Country next week.

Congratulations to Bethany, Riley and Joel who were selected to be a part of the Egats program for 2015. I am sure they will enjoy the camp and the many extension experiences to come.

There will be a P&C meeting on Monday 15 June starting at 7.00pm at the Bowling Club.

During the last week of this term, both the Junior and Senior classrooms will be holding parent/teacher interviews, to discuss the academic progress of your child. This time is extremely important as it provides feedback and creates a working future with our parents, students and staff. (note to follow)

Thank you to the parents who assisted with transport to the Athletic Carnival last week.

Thank you all the parents who are contributing to our wonderful P&C lunch packs. Great cooks and great service. We rely on your support to keep this fundraising initiative going.

And finally, thank you to Julie Hicks from the Little Ladybird Plant Nursery at Uralla for her donation of plants and her time on Friday. She was very informative and patient with our students. Thanks also goes to Mel and Glen for organising the gardening session for the students.

Student Absence Note

My child .................................. of class .................................... was absent from school on the following dates ............................................................

For the following reason ..............................................................

Parent/Carer Signature: ............................................. Date: ................................

Robyn and Eliza are looking for a house to rent on the outskirts of town or further out. The place needs to allow pets. If you know of anyone having such a property to rent, please contact Robyn Smith.

German Lessons

Some parents have asked that vocabulary lists (and other information) be sent home to help reinforce the German that the students are learning. If interested families send me an email I will send this info directly to you. It would be especially helpful and fun if I could send you the file of the Bewegungslied (action song) we are learning to perform at assembly later in the term.

DIRECT DEPOSIT DETAILS

Account Name: Kelly’s Plains Public School Administration Account
BSB: 032-001
Account No. 142170
Ref: Student’s Name

You can direct deposit money for the major excursion or any local excursions/school activities that require money.
Good hygiene can help stop cold and flu viruses spreading around our school.

- **Wash your hands:** we are teaching students how to hand wash after coughing and sneezing, and after touching dirty tissues. We make sure they understand the importance of washing their hands before handling food, after going to the toilet and after playing outside.
- **Cover coughs and sneezes:** we encourage students to cough into their arm/inner elbow. We are teaching them to put their used tissues in the bin and to wash their hands afterwards.
